“LUNCH BUDDIES”

School Based Mentoring

The lunch buddies' program is designed to match students at School of the Osage Upper Elementary with an adult who truly cares about and will encourage the child's success.

We ask “Bigs” to meet with their “Littles” once a week during the school year. The meetings only take place on school grounds. Matches can play games, talk 1:1, or occasionally work on homework.

You get to be a positive adult role model to a child in your community for an entire school year by just talking and spending time with them during their lunchtime.
